Small Group Presentations

Capstone Exercise 1

Objectives

- Present your draft Background, Objective/Decision Problem, and Strategy Options to your small group

  Quick, 5-minute presentation. Allow plenty of time for feedback.

- Provide feedback on clarity and completeness of descriptions
- How can the health issue/condition be more clearly described?

- Is the decision problem clearly defined?
- How well do the strategy options match the background and decision problem?

Deliverables

Create initial/draft slides for final presentation that introduce your decision

- Slide 1 – Title, Team name, and Members
- Tell us who you are
- Slide 2 – Background
  - What is the health condition/issue you are trying to address and what is the motivation for addressing it?
- Slide 3 – Objective
  - What is the decision problem or comparison you will be modeling?
- Slide 4 – Strategy options -Describe the status quo and the options you are considering
